WOOSTER LOVE SONG

Alma Mater

by Ralph E. Plumer, '06

In college days, when all is gay
And life but at the start
There comes to each a love supreme
Awakening in the heart;

And when we ask "What is this love,
This first love fond and true?"
From many hearts the answer rings,
Tis dear old Wooster U.

To Wooster U;
Our Wooster U.
Out in the world may we prove true
Ever remembering,
never forgetting
Our love for you, dear Wooster U.

Old Wooster and its memories
Will come to us each day
And life with all its joys and cares
Can never drive these away
The profs and prexy, campus, halls,
Our friendship, staunch and true
All center round our first great love,
Our dear old Wooster U.

To Wooster U;
Our Wooster U.
Out in the world may we prove true
Ever remembering,
never forgetting
Our love for you, dear Wooster U.
